

Youth Friday at Leo's 1pm-3pm

WHATS IN YOUR WATER?

What to bring?

BRING A SAMPLE CUP OF WATER

U of A is coming to Leo's Community development center to teach our youth how to use a water testing kit.

This Do-It-Yourself method is based on a chemical reaction and will measure the concentration of arsenic (As) in your water sample.

WHERE? WHEN?

1pm at Leo's 52 N Pinal Ave.

REGENERATING
SONORA 501(c)(3)
